

HR Partnership with Anthros

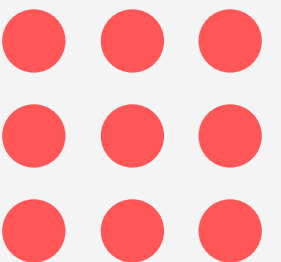

Anthros: Who We Are

Anthros is a human resources company with more than 20 years in the business. Our vision is to empower our clients to become the best in their industries and build a legacy by serving as a long-term partner in payroll and human resources.

Anthros oversees payroll and HR functions, including payment of wages, tax withholding, worker's compensation coverage, unemployment insurance and select benefits programs

Anthros is your Employer of Record, or W-2 Employer. The Client Company remains responsible for operations and business decisions.

Voluntary Supplemental Benefits

BENEFITS TO PROTECT YOU & YOUR FAMILY

Vision, dental, hospital indemnity, accident, disability, life insurance, group critical illness, and Lifelock are available.

OPEN ENROLLMENT

Open Enrollment takes place in February every year through the Employee Portal. Employees may enroll outside of open enrollment period with a qualifying event.

DEPENDENT COVERAGE

Dependent coverage available for most products.

Doctegrity Telemedicine

Unlimited virtual access to board certified physicians and licensed mental health therapists for one monthly fee. No copays or surprise bills. Plans start at \$15 per month for an individual. Family coverage is available too.

Primary Care Telemedicine

Board certified physicians with bilingual coverage available nationally. Virtual visits can take place by phone or through secured video chat.

Mental & Behavioral Health

Licensed mental and behavioral health counselors and therapists are available by phone, expanding upon services offered through our EAP.

Prescription Discount Card

Members save up to 80% on prescriptions at most major retailers. Also works on pet prescriptions.

Bilingual Customer Support

Domestic customer support is available 24/7/365 to answer questions and help set up virtual physician visits.

Doctegrity treats 75% of common conditions and helps you avoid costly doctor and urgent care visits.

Employee Assistance Program

- Confidential counseling for you and members of your household
- EAP is paid for by your employer and is a free benefit to you
- Counseling in English, Spanish or French
